INDIAN INSTITUTE OF SECURITY MANAGEMENT (Central Chennai)

**ORGANISE
SEMINAR ON**

ADVANCING FIRE SAFETY & EMERGENCY PREPAREDNESS

Friday 21st August 2026

VENUE:

HOTEL RAMADA

**Gandhi Irwin Rd, Ansari Estate,
Egmore, Chennai, Greater Chennai,
Tamil Nadu 600008**

INTRODUCTION:

With sweeping changes taking place across all spheres, the need to protect assets and minimize the loss of life has assumed greater importance. There is an urgent need for the management of commercial establishments, especially those occupying high-rise buildings, to make conscious efforts to understand the principles underlying fire safety, fire prevention, and fire and life safety management. The increase in fire accidents, particularly those caused by electrical short circuits and other factors, highlights the need for effective fire prevention measures and the upgradation of both passive and active fire protection systems, keeping in view the principles of defence in depth. Against this background, IISM has designed this one-day seminar.

TOPIC HIGHLIGHTS:

- Fire & Life Safety in High-Rise Buildings such as Hotels, Hospitals, IT Companies, Malls, Banks, Petroleum and Process Industries as per the National Building Code (NBC) 2016.
- Electrical Fire Prevention and NBC Requirements for Electrical Safety.
- Emergency Management, Evacuation Planning and Occupant Safety in accordance with NBC 2016.
- Failure of Fire Fighting Systems - Causes, Remedies and NBC Compliance.
- Modern Trends in Fire Detection, Alarm and Suppression Technology.
- Case Studies Related to Fire Accidents and Lessons Learned from NBC Compliance and Non-Compliance.

SEMINAR FACILITATORS:

1. **Mr. Rajeshkannan**, Deputy Director, Tamil Nadu Fire & Rescue Services, Topic - Approach to Mitigate Electric Vehicles' Fire
2. **Mr. M Namasivayam**, Honorary President & Fellow, The Southern India Branch, The Institution of Fire Engineers, U.K, Chennai - Topic - NBCS - 2026, A way Forward or a way Backward to Life Safety
3. **Mr. Anantharaj**, Freelancing Fire Safety Auditor, Director - Naveen Alarm Systems P. Ltd., Topic - Application of AI & IoT for Smart Fire Safety Management
4. **Mr. Selvakumar Balachandran** - Director - Agni Controls - Topic: Latest Automated Fire Suppression Systems for the Critical Assets
5. **Mr. Arun Kumar Balachandran**, Director - Agni Controls Chennai
6. **Mr. P. Saravanakumar**, Additional Director - Admin & **Mr. G. Sathiyarayan**, Additional Director - Ops & Trg. Tamil Nadu Fire & Rescue Service - Topic - PANEL DISCUSSION & Coffee with ADS TNF&RS

INAUGURATION:

SHRI. G. Venkataraman IPS

Director General of Police (DGP) / Director of Tamil Nadu Fire and Rescue Services Department

DATE: 21st August 2026

Time: 09:00AM

This seminar is designed for managers, executives, supervisors, frontline shop floor personnel, and professionals responsible for security, fire and life safety, safety, loss prevention, HR, and administration in industries and commercial establishments, including hotels, hospitals, IT companies, banks, shopping malls, petroleum and process industries, manufacturing units, and power plants. It is also highly beneficial for facility managers, safety officers, maintenance engineers, and all personnel involved in ensuring fire safety and statutory compliance within their organizations.
